LETTER OF INTRODUCTION

Dear Valued Customers and Partners,

First and foremost, Iconic Logistics Vietnam would like to extend our warmest greetings and best wishes for health and success to all our customers and partners.

Iconic Logistics Vietnam is a forward-thinking logistics company, providing comprehensive supply chain solutions for both domestic and international businesses. With a commitment to efficiency, speed, and reliability, we are building a brand position as an icon of Vietnam's logistics industry.

We take pride in our team of highly experienced and professional staff, advanced technical applications, diversified services, and a global partner network — always ready to meet the increasing demands of the market. Guided by our motto, "BUILT ON RELIABILITY, GROWING THROUGH UNITY," Iconic Logistics Vietnam is committed to being a trusted companion of our clients — growing together through understanding and collaboration.

We continuously strive to enhance our services, improve quality, and create sustainable value, aiming for long-term partnerships in this era of global integration and competition. Once again, we sincerely thank our valued customers for their trust and companionship with Iconic Logistics Vietnam, and we look forward to continued cooperation in the future.

Sincerely,
ICONIC LOGISTICS

COMPANY OVERVIEW

Iconic Logistics Vietnam operates in both international and domestic logistics services, providing fast, safe, and efficient cargo transportation solutions.

With a professional team, advanced logistics technology, and an extensive global network of partners, we offer a wide range of services — from multimodal international sea and air transport to domestic transportation, customs brokerage, and warehousing.

We uphold our reputation and service quality as the foundation of our operations, committed to helping clients optimize costs, enhance supply chain efficiency, and build long-term sustainable value.

VISION

Long-term Direction

Born in an era when Vietnam is rising strongly, Iconic Logistics Vietnam was established to become a new symbol of the logistics industry — a leading logistics partner in Vietnam, a hub connecting Vietnamese goods to global markets, delivering exceptional value through an optimized logistics network, advanced technology, and dedicated service.

We aim to make every cargo journey perfect, upholding our core values and goals to strengthen Iconic's brand and expand its global reach.

We are building Iconic Logistics Vietnam into a symbol of excellence in transportation services — where quality, business ethics, and sustainable growth are top priorities.

MISSION

Role & Responsibility

To establish a representative symbol in the logistics industry with a comprehensive, intelligent, fast, optimized, and transparent logistics service network — helping businesses expand their import-export markets to key global economic centers.

People: Our professional, united, and dedicated team contributes to the success of our clients, factories, and industrial zones. Iconic's human resources pursue long-term careers built on ethics, innovation, and technology developed by Iconic itself — keeping pace with modern trends to optimize cost, manpower, and efficiency.

Society: Contributing to the development of international trade, facilitating the flow of goods, and elevating Vietnam's logistics position on the global map.

CORE VALUES

Customer Orientation:

Develop logistics solutions based on real business needs; be the trusted companion whenever customers think of logistics.

Market Orientation:

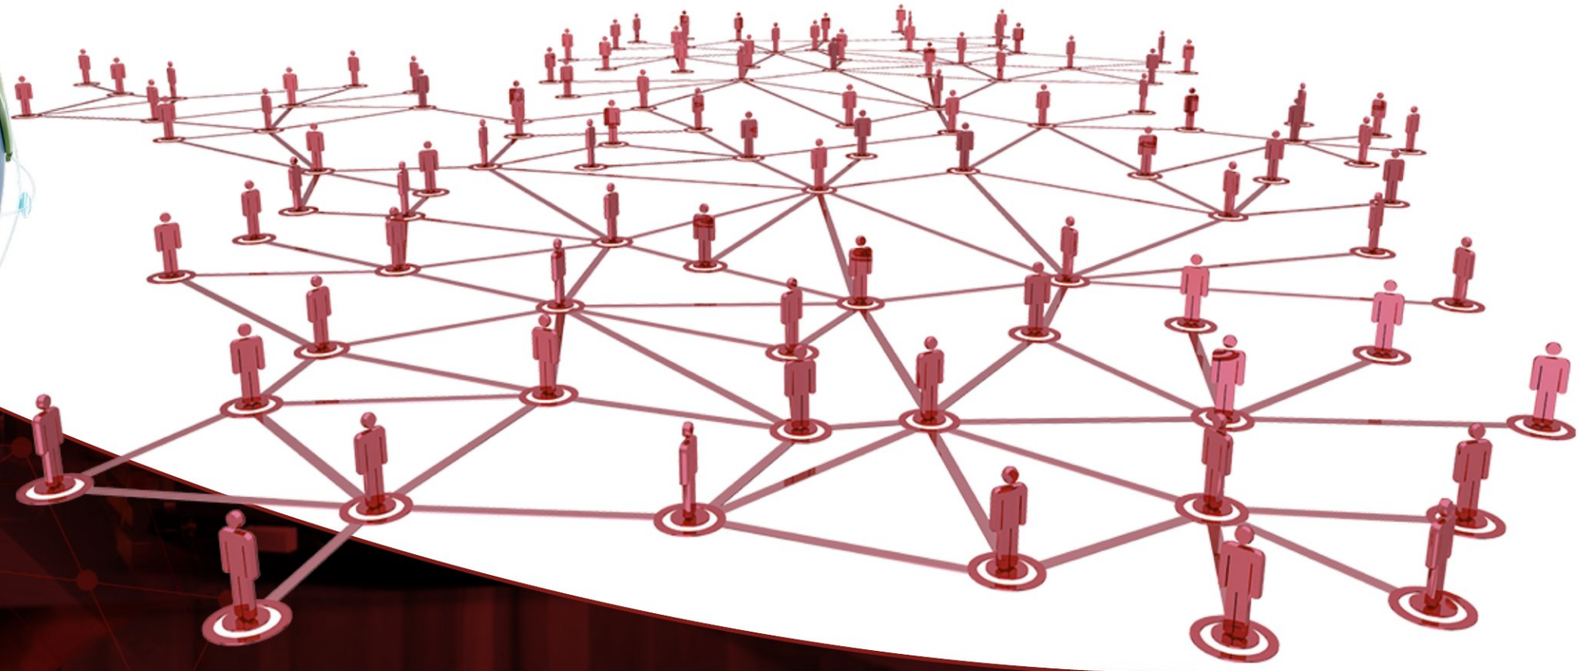

Expanding and handling logistics networks between Vietnam and major economies across Asia, Europe, Africa, Oceania, and South America.

Innovation Orientation:

Constantly updating and applying advanced, proprietary logistics technologies in Vietnam to ensure transparency, cost efficiency, and time optimization.

Partnership Orientation:

As a strategic partner of major global shipping lines and airlines, with an extensive international agency network — Iconic is trusted by customers worldwide to handle their shipments with dedication and care.

GOALS & COMMITMENTS

Development Goals

•Establish Iconic Logistics as a reputable, professional logistics company meeting all transportation and supply chain needs of clients.
•Apply modern technologies to optimize operations, reduce costs, and shorten delivery times.
•Build a highly qualified, experienced team providing fast – accurate – safe services.
•Achieve sustainable growth, expand domestic and international networks, and become a leading competitor in Vietnam's logistics industry.

Headquarters and representative offices are strategically located in Ho Chi Minh City, Vietnam's leading logistics center, with branches in Hanoi, Hai Phong, Da Nang, and other key economic hubs.

COMMITMENTS TO CUSTOMERS & PARTNERS

Reliability: Always place customer satisfaction and interests at the heart of every operation.
Quality: Provide logistics services that are fast, accurate, safe, and cost-effective.
Partnership: Be a trusted companion, growing together with customers.
Innovation: Constantly improve and apply modern technology to enhance service efficiency.
Responsibility: Operate transparently, comply with regulations, and contribute positively to the community and society.

CAPABILITIES & STRENGTHS

• Long-standing partnerships and close relationships with major global shipping lines, as well as depots, ICDs, and port authorities across Vietnam's key logistics centers.

• Proprietary logistics management software developed by Iconic Logistics Vietnam — Icotech, an all-in-one logistics management platform enabling businesses to monitor operations, data, transport, and order tracking in real-time. Icotech simplifies traditional processes, automates reporting, integrates easily, and optimizes supply chains — saving time, cost, and boosting operational efficiency.

• A highly experienced logistics team, professionally trained to handle a wide range of cargo types, from simple to complex.

• Strategic partnerships with global airlines and shipping lines, supported by an extensive international agent network across India, China, Australia, Thailand, Japan, Korea, Indonesia, Bangladesh, the Netherlands, Poland, France, Canada, Brazil, Mexico, and more.
